

NIKISKI
SENIOR CENTER

DIRECTOR'S MESSAGE

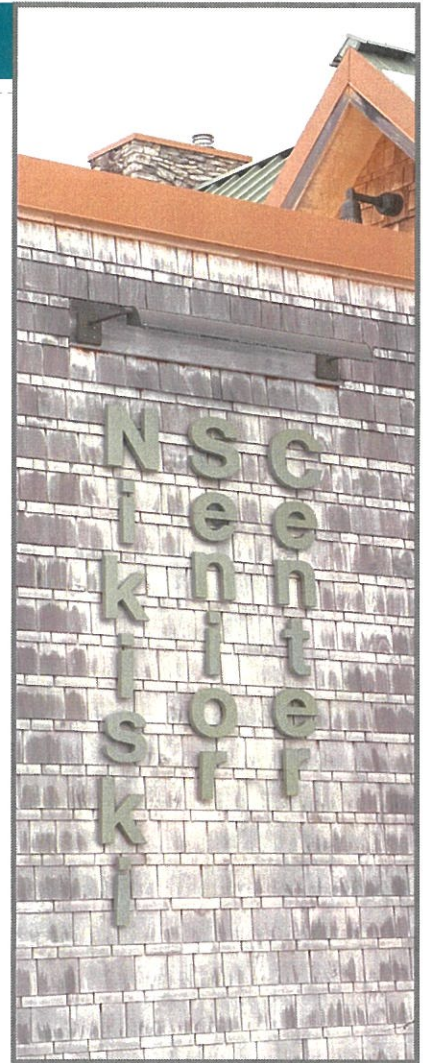

As promised, October has been a fun month thus far! Activity participation has doubled. From Freezer Meal workshops, crafts, and movie night to yoga, pinochle, and cribbage. We have something for everyone! If you have any suggestions or wishes that you would like to see at the center, please let us know. We welcome your feedback. We continue to make as many of our activities and services available via zoom. We are fortunate to have devices with built in internet for members to check out.

New in November, Sunday Brunch! Please join us on November 21st from noon to 3 pm. The price is \$10/person. Sunday Brunch will be once a month. If we have outstanding participation, we will consider adding additional days.

Our local Music Teacher, Geri Brigham requested an opportunity for her Home School Students to perform at the center. We are looking for an upright piano. If you or someone you know is looking to rehome a piano, please send them our way.

November is the month to recognize our blessings. I am thankful for each and every one of you.

Sasha

WEDNESDAY CRAFTS

Pumpkin Painting was a hit for all ages! Such creativity!

Wreath making was a popular craft which led to the upcoming November class of “bow tying.”

If you have been to the center lately, you have seen the beautiful wreaths on display—made and donated by Debbie Goforth. She will have some wreaths for sale at our Craft Fair December 4th.
